

BCMB Training Grant Lecture Series: Science and Mentorship

The Dynamin Fission Machine

Sandra Schmid, PhD
UT Southwestern

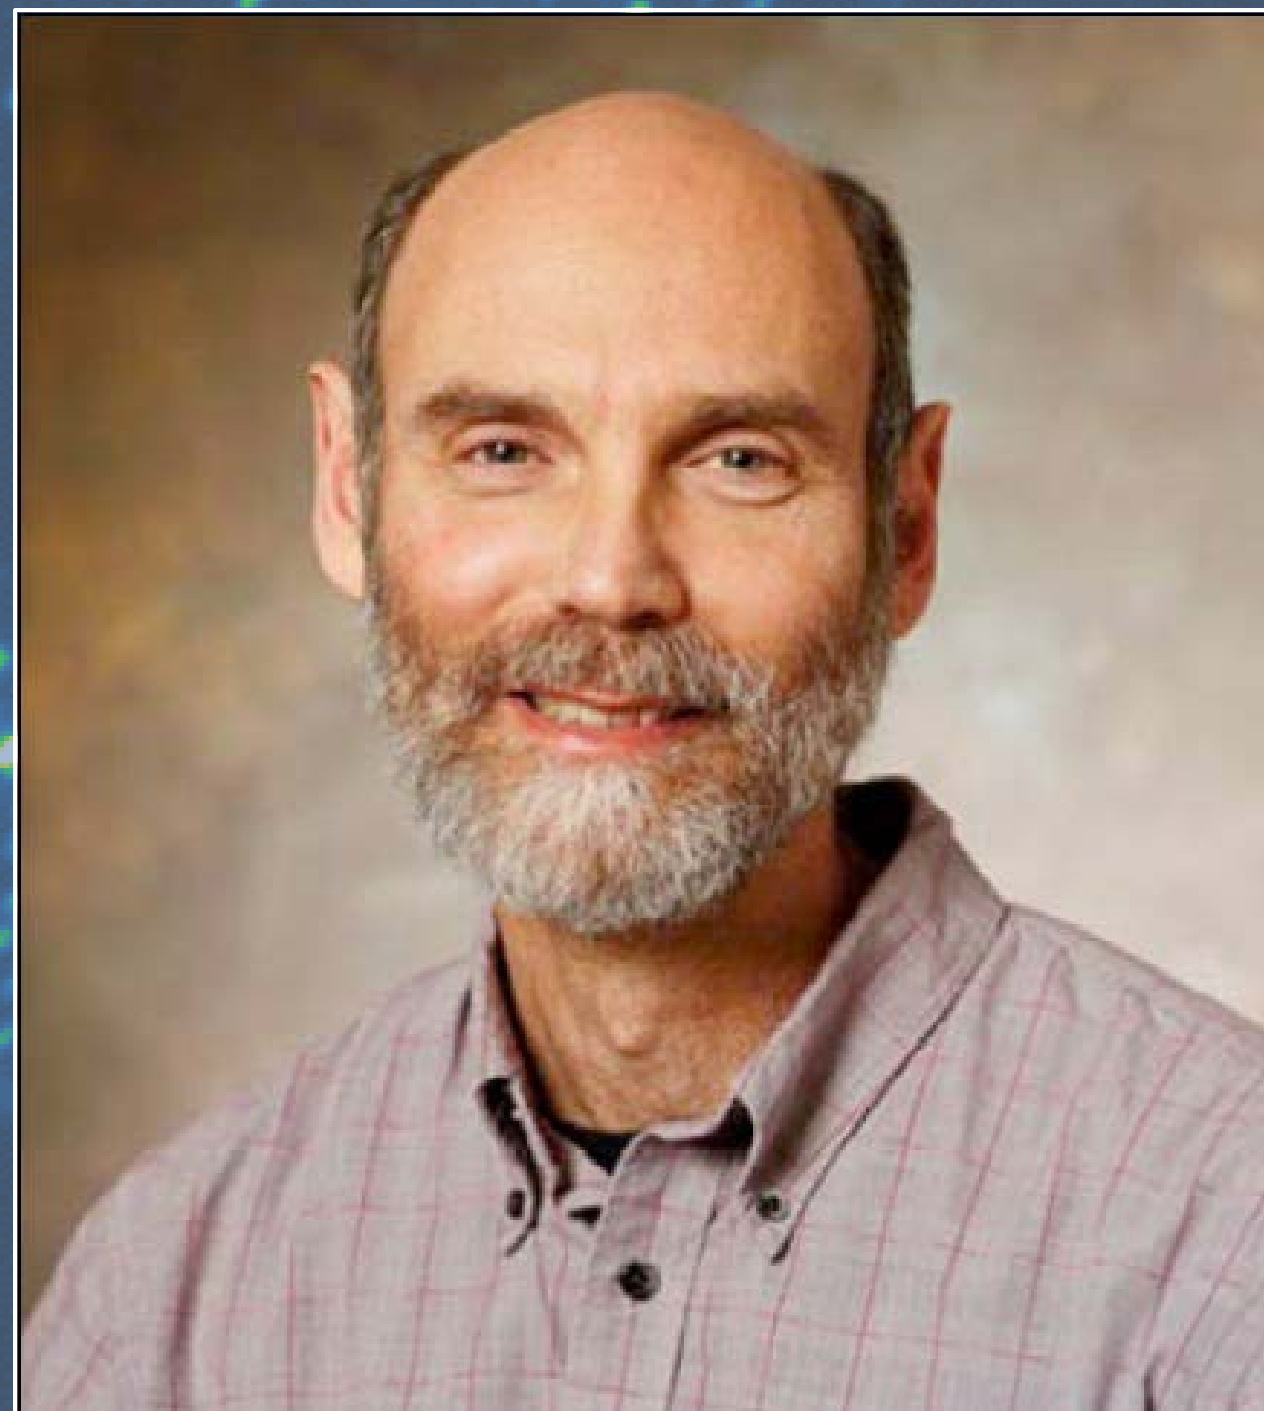

October 5, 2012

Co-sponsored by Dept. of Pharmacology

Going Against the Flow: Forces & Receptors in Atherosclerosis

Martin Schwartz, PhD
Yale University

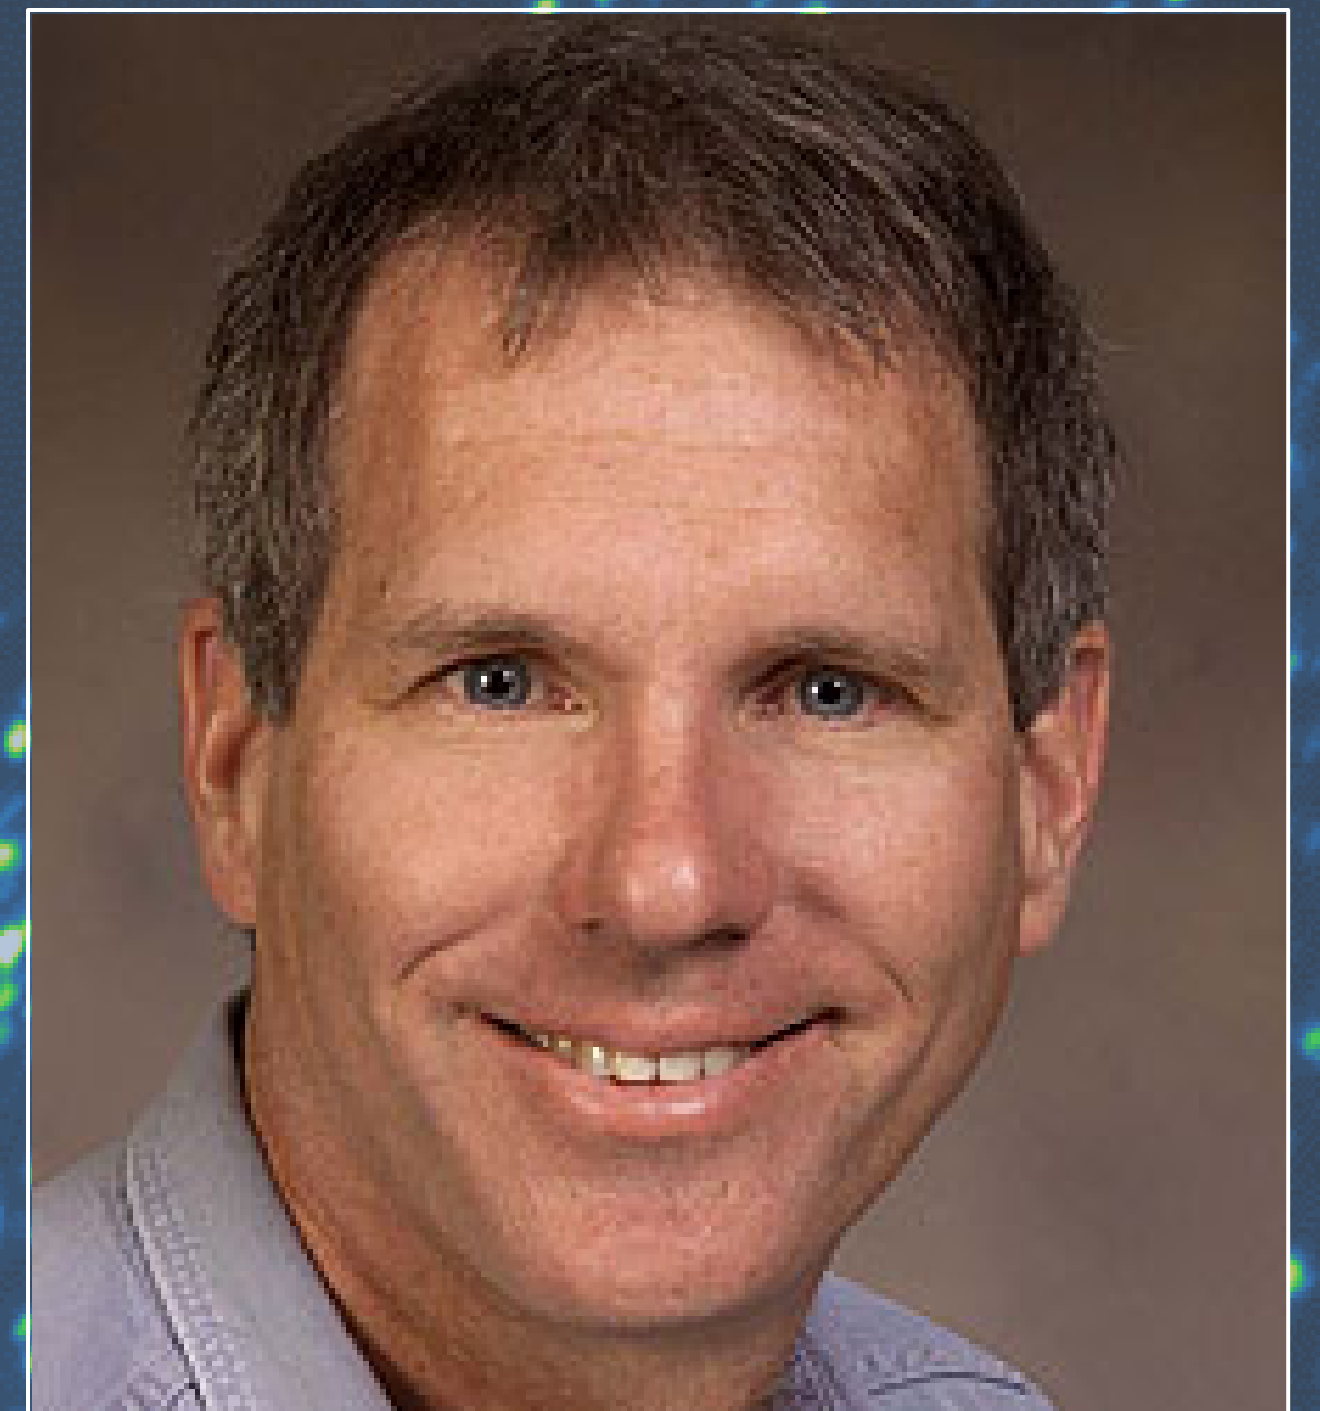

November 5, 2012

Co-sponsored by Dept. of Biochemistry

Control of Translation and mRNA Degradation in Eukaryotic Cells

Roy Parker, PhD
CU-Boulder

April 25, 2013

Co-sponsored by Dept. of Cell Biology

Sponsored by: NIH Training Grant T32GM008367, BCDB and Departments
of Biochemistry, Cell Biology, & Pharmacology
