

GMB Rotation Agreement Form

This form must be submitted to the DGS (Dr. Andrew Escayg, 361 Whitehead) for approval prior to the beginning of the rotation.

Student: _____

Rotation Advisor: _____

Rotation Period:

- Summer Rotation Dates: *July 3 to August 22*
- First Rotation Dates: *September 18 to November 10*
- Second Rotation Dates: *November 20 to January 26*
- Third Rotation Dates: *February 5 to April 6*
- Fourth Rotation Dates: *April 16 to June 8*

Within one week of ending each rotation, **submit to the DGS (Andrew Escayg), a 3-6 page “rotation report”** (not counting references). The format should be like a small paper with the usual sections of Abstract, Introduction, Materials and Methods, Results, Discussion, and Figures. The Results and Discussion sections can be combined. The head of the rotation lab should help in editing this document before it is submitted to the DGS. At the end of each semester, the head of the rotation lab will recommend a grade for the rotation to the DGS, partly based on the quality of this report.

As stated in the GMB Guidelines: *“No GMB faculty member may accept more than a total of three (3) GMB rotation students per academic year, and have no more than two (2) doctoral students from any graduate program rotating in their lab within any rotation period. Students may elect to rotate in additional labs but must select a laboratory for their dissertation research before the start of their second year. Exceptions must be approved by the Executive Committee and Program Director (Bill Kelly).”*

By signing below, I certify that I understand and adhere to the policies outlined above.
