

THE GRADUATE PROGRAM IN GENETICS AND MOLECULAR BIOLOGY

POST-SEMINAR MEETING FORM

STUDENT _____

DATE _____

Objectives of a Post-Seminar Meeting:

1. Provide immediate and constructive feedback immediately following the student's seminar
2. Evaluate the progress of the student
3. Determine if the project will lead to a degree
4. Evaluate alternative projects
5. Determine if a student has accomplished enough to graduate

Students must have this form filled out at each thesis committee meeting and return it to the DGS for their files.
