DIRECTIONS

• The following slides will be used for all dissertation committee meetings (required as of 09-01-14).
• The **Summary** slide will be shown first and display the summary of your committee members’ feedback from your **last** meeting.
• The **Scientific Update** slide will be shown second and summarizes what you have done at Emory. Place all entries that have happened since your last meeting in **bold**.
• The **Goals** slides should place special emphasis on career development.
Summary of Last Meeting

• Copy and paste the summary paragraph you wrote of your committee members’ feedback here. If you did not save a copy of your last committee meeting form, you may contact the Program Administrator and request a copy for reference.
Scientific Update

All new entries since the last meeting (XX/XX/YYYY) are in bold.

Current year of grad school - ______________

• Papers published/submitted/in progress (list titles, authors, your contribution, and status)
• Grants applied for/awarded
• Meetings attended/abstracts (meeting name and date, abstract title, poster or talk)
• Awards/recognition
• Service
• Techniques developed or learned since last meeting
Goals – Science and Career

• Describe your goals for the next 6-12 months in the lab and explain how you will achieve them?

• Describe your goals for the next 6-12 months in terms of professional development and how you will achieve them?
Goals - Beyond Grad School

• What are your goals after graduate school? Have they changed over the last year and if so, why?

• How will the next years work align with your long term goals?

• Are their gaps in your development and what measures could be taken to fill those gaps?
