MMG Student Timeline 2019-2020

The table below outlines a typical student timeline in the MMG program. Please use this guide to track and review your progress. Students should meet the requirements on time and turn in any related paperwork promptly to the Program Administrator. Students should refer to the handbook for detailed information regarding each milestone listed below.

All forms are available on the MMG Program website. Exceptions include the Final Rotation Report and 1-page Progress Report as these can take a personalized format.

This table does not include required courses. For that information, refer to the MMG Handbook.
